Memorandum of Understanding between Metropolitan Waterworks Authority and Symphony Communication Public Company Limited

The Memorandum of Understanding (MOU) signing ceremony between Metropolitan Waterworks Authority and Symphony Communication Public Company Limited was held on July 21, 2011. The MOU was signed by Mr. Jaroen Passara, the MWA Governor and Mr. Kranphol Asawasuwana, the president of Symphony Communication to co-operate in a pilot project to modernize and improve the current fiber-optic cable system, in order to better assist MWA's customers with their communication needs. This MOU will facilitate the exchange of technical knowledge and expertise as well as improve the capabilities in the field of telecommunication.
